6 Jan. In Madrid a short time since several respectable persons, among them Admiral Malaspina, known for his voyage round the world, General O'Connor and the Marchioness Mazallana [Matallana], have been arrested.

*Augsburgische ordinäre Zeitung von Staats-Handlungs- und gelehrten Neuigkeiten*, 26 January 1796:

Madrid, 20 January. Besides the Marquis Malaspina, the wife of the former Ambassador to Naples, the Marquis Molalona [Matallana], has been arrested and brought to a convent. She is very intelligent and knowledgable, and was well received at Court. There is also talk of more arrests in the provinces.
